A MESSAGE FROM THE PRESIDENT
From President Lynn Hyman

Hello Fellow Rotarians,

Another year has come and gone. We are now embarking on another new Rotary year! I have two (2) club causes for the year. The first is to constantly work throughout the year with the membership committee and try to bring in new members. The second is to work with the donations committee to reorganize the donations process. I will try to keep you all informed with the progress of the two committees.

Karen Widico will be our Sergeant-at-Arms for the 2014-2015 Rotary year. Karen & I are hoping to make each and every meeting a fun meeting. It is my hope that more club members decide to join us at Wednesday meetings when word gets out about how much fun we are having.

The board will be meeting once again on the first Thursday of the month. All members are welcome to attend any board meeting. I will also try to keep you all informed about what is going with the board.

Let's make this Rotary year a fun and exciting year!!!

Lynn Hyman - President
Rotary Club of Flemington

DONATIONS COMMITTEE MEETING NOTES **From the Meeting held on Wed, 7/2 at 1:30pm**

President Lynn wanted everyone to be included on the meeting notes from the recent Donations Committee meeting:

Donations Committee Reorganization Meeting (Wed, 7/2 at 1:30pm)

Attending: President Lynn Hyman, Chairman Terry Ownes.

Members: Bob Chittenden, Tom Fisher, Harry Mazujian, Bob Newland, John Zullo

Discussion Points.

Chairman Terry O. explained to the committee members in attendance that the source of funds available for donations has shrunk over the past several years. In review, the RCOF currently has three events that are held each year, Pancake Day in October, Soup Cook-Off in February and the Dog Walk in June. Pancake Day usually generates income of \$ 7500 - \$ 9000 which is sufficient to cover the historical cost of the scholarships that are awarded in June. The Soup Cook-Off, although immensely successful generates no available funds for discretionary donations since all income is divided among the area Food Pantries. The Dog Walk this past year generated approx. \$ 7500 in total income which the club shares 75%-25% with Animal Alliance. The net income this past year was \$5100.

The committee recognizes that we as a club must exercise better judgment and control over these funds. Chairman Terry suggested that the Donations Committee become the umbrella committee over all charitable monies that are raised by our club. This will include but not be limited to oversight as it pertains to Scholarships, Tree Lighting, Holiday Presents, SAC and any other program/organization that may benefit from these funds. This was well received by the members in attendance and is in line with President's Lynn agenda.

Terry O. suggested that since that there were no approved donations through the committee in fiscal year 2013-2014 that all surplus monies from Pancake Day (minus scholarships) and income from the Dog Walk be rolled into the donations budget for fiscal year 2014-2015. It was also suggested that 1/3 of the surplus that the RCOF has been carrying forward for years also be designated as part of the donations budget for fiscal 2014-2015. The exact total of available funds is yet to be determined. This will be the proposed policy going forward in the establishment of the "Donations" budget. This was well received by the members in attendance. This change in procedure will establish a good number going forward and will allow us to react in a more timely fashion.

Foundation support will continue to fall under administration since these ventures are generally funded by EREY and lunch fund surpluses as it pertains to Eat, Drink & Share.

The next topic of discussion was regarding the RCOF's tax exempt status. We are indeed a tax exempt charitable organization but we are not a 501(C)3. There are numerous benefits for the RCOF to achieve 501(C)3 status.

Advantages

Tax exemption/deduction: Organizations that qualify as public charities under Internal Revenue Code 501(c)(3) are eligible for federal exemption from payment of corporate income tax. Once exempt from this tax, the nonprofit will usually be exempt from similar state and local taxes. If an organization has obtained 501(c)(3) tax exempt status, an individual's or company's charitable contributions to this entity are tax-deductible.

Eligibility for public and private grants: Nonprofit organizations are allowed to solicit charitable donations from the public. Many foundations and government agencies limit their grants to public charities.

There is a geed deal of work in the setup of the organization but the committee truly believes the advantages will outweigh the effort put forth.

The final topic of discussion was regarding the process through which an organization may solicit funds from the RCOF. A draft cover page was presented as was a brief one page questionnaire. The initial concern was that the draft stated the soliciting organization must be a 501(C)3 whereas we are not a 501(C)3. A discussion ensued as to whether the RCOF should be donating our monies to another

non-profit? A statement was made by John Z. that in years past it became difficult to find individual needs so the committee found it easier to give to a list of other organizations. President Lynn mentioned her desire to return focus to hands on projects such as helping repair the Flemington Park Gazebo.

The final sum up was as follows:

In order to establish a budget for fiscal 2014-2015 we will wait until Bob Newland has completed the books for fiscal 2013-2014. Some expenses may need to be reclassified as Bob had mentioned writing checks and classing them as donations when in fact the committee had not approved same.

President Lynn will be in contact with the chairs of the sub-committees and advise them of the change in oversight and budgeting process.

Terry O. will begin to explore the process of forming a 501(C)3. Harry M. will assist since he had recently been involved in the formation of same.

We will review and adapt as needed the on-line form for solicitation. The donation committee will meet as a group for comments and input prior to going live.
