MEMBERSHIP COMMITTEE MEETING

Wed, 10/19 at 1:30pm

Membership Chair, Joe Ziegler, has called a Membership Committee meeting for **next Wednesday** (10/19) at 1:30pm following the regular club meeting. Anyone interested in lending a hand is welcome to attend.

Message from PRESIDENT D.J. WRIGHT

**Regarding Tomorrow's District Governor Visit
and the 2016-2017 Club Budget**

I hope this message finds all of you reading this doing well! Please remember that tomorrow (Wed, 10/12) is our District Governor's visit, and we would like all members to attend to show their support for all the endeavors that our District and our Club are doing. This is a great opportunity to have many of your questions about how district interacts with Rotary International as well as with us, locally, on the club level.

The Board had also pledged to get copies of the budget to the entire club as early as possible and they will be distributed at tomorrows meeting. This year the Board has had to make some hard decisions and cuts which are necessary to attain a balanced budget. We can no longer keep running in the red. The Board has given much thought and applied the reductions across the entire budget. However, mindful that this is OUR club, we wanted to give ample opportunity for members to voice their concerns, if any, and hopefully we can use this as a way to create some new methods of raising revenue.

We are taking this process very seriously and want input from all members, so please do not hesitate to send an e-mail or voice your opinion.

Our focus is also on creating a 501(c)3 entity to help with donations being fully tax-deductible as well as reigniting fellowship as a means to bring us closer as a club and also to help create an environment where we can continue to serve the local and global

communities for many, many more years! As I have and will continue to say, this is OUR club and will only be successful if everyone gets involved on some level. We have seen, as most service organizations have, a reduction of membership over the last several years, mostly because "life" has become hard for many to commit both their time and finances. Being mindful of that, I know that the Rotary Club of Flemington is still going strong and can continue to grow and do wonderful things. It just will take getting "back to the basics" and remembering why we are all Rotarians and especially, how the Rotary Club of Flemington is truly a family.

I am looking forward to seeing our club continue to prosper by returning to the roots of why it was formed in the first place: service above self.

Yours in service and fellowship,

D.J. Wright
President

REGISTER for the FOUNDATION SEMINAR

October 15, 2016

The Pines Manor - Edison, NJ

Dear Rotary Club of Flemington Members,

The Annual Foundation Grants Seminar is scheduled for **Saturday morning, October 15, 2016**, at The Pines Manor, 2085 NJ-27, Edison, NJ 08817. Sign-in and a great breakfast begin at 8:00 AM with the program starting at 8:30 AM. We will get you out by 11:30 AM or sooner. Dr. Michael Hart, District Foundation Chair, is planning a comprehensive program. Your club's representation is required for both Global Grants and District Grants. Also, your club is required to execute a Memorandum of Agreement (MOA), which will be explained at the seminar.

Just about every club in the district attended last year's seminar, and almost every club was approved for a district grant or two! So come and learn more about accessing over \$250,000 in available matching Global Grants, and find out how to tap into District Designated Funds (DDF) for local projects.

You must register on-line at DACdb. My hope is that at least two people from each club attend, the foundation chair and the president-elect. (But more are welcome.) The Foundation Chair (or representative) is FREE; all others are \$40.

Registrations are processed ONLY through the District and Club database, with checks mailed to District Secretary in advance of the seminar.
