attending children are asked to meet at 6:40pm behind the Deat's Building in Flemington OR at the Christmas Tree on Main Street at **7pm**.

Santa Claus will be arriving at the Christmas Tree between 7 to 7:15pm, which is preceded by the formal Tree Lighting Ceremony and Christmas Carols that is organized by Flemington Cub Scout Pack 61.

Once the Tree Lighting Ceremony is over, **everyone is invited to the annual After-Party at Dick & Priscilla Stothoff's home!** If you have never attended, please come and bring the family and kids!!!

Please note that the Main Street Flemington Annual "**Hunterdon Holiday Parade**" will

A Little History of the Main Street Flemington Tree Lighting Ceremony:

The Christmas Tree Lighting ceremony is Flemington Rotary's oldest service project, which began in **December 1923**. This was just after the club first formed on October 3, 1923.

Back in the 1920's, it was very difficult for children to get some candy and fresh fruit to eat. These days, we can readily purchase these items at our local Supermarket, etc. So it was a VERY BIG deal for the children in attendance to get their huge Candy Cane and Fresh Orange. Flemington Rotary has been annually helping with this project ever since!

***Thank You Letter to Flemington Rotary  
regarding the St. Baldrick's Event  
Held Sunday, September 25, 2016***

Dear St. Baldrick's Supporter,

It's incredible what a group of caring people can do when we put our heads together. I'm writing to thank you for the part you played in the success of our recent St. Baldrick's event in Sergeantsville. On September 25th, we shaved over **80 heads**, hosted an incredibly successful auction and ended the day contributing more than **\$54,000** to finding cures for childhood cancers!!! With their bald heads, our shavers are standing in solidarity with infants, children, teens and young adults fighting cancer. More importantly, the funds we raised will truly help save lives.

I know that every dollar we raised will be used responsibly. The St. Baldrick's Foundation is the largest private funder of childhood cancer research grants, awarding more than \$186 million to support the development of childhood cancer treatments that are as unique as each child. This is a volunteer-driven charity, which keeps fundraising costs low and grants high.

In four short years our local event has contributed more than \$200,000 to childhood cancer research through the St. Baldrick's Foundation and has fully funded two promising new research projects! I truly appreciate your continued generosity towards our St. Baldrick's event and your commitment to conquer kids' cancers.

To see how your donation is being put to work, visit [www.StBaldricks.org](http://www.StBaldricks.org) and take a look at "see the impact." New grants are made in July and October, and are all listed on the website by location and purpose.

This was a fun way to do something very important, and we plan to do it again next year. If you'd like to be involved, it's never too early - please let me know!

Thank you for all you did to make the event such an overwhelming success, and ultimately to help save the lives of kids right here in our community and around the world!

Sincerely,

Linda Swackhamer  
St. Baldrick's Volunteer Event Organizer
