Great News regarding BETTY ZULLO!
12/19 Update from President D.J.

It is with GREAT news that I let the club know that Betty Zullo is now home from the hospital! She survived a massive stroke with minimal deficits and John and his family are very grateful to have her home in time for Christmas. They asked me to extend a special thanks as they know it was the prayers of so many, especially the Flemington Rotary family, that helped Betty pull through and be able to come directly home from the hospital without having to go to a rehabilitation center.

John and his family are ok with food and the like now, and I am sure he would love to hear from his fellow Rotarians as his cell phone is always on. Also, I suggested and it was well received by John and his son, that we as a Rotary family could help to pick up and bring John to meetings for the next few months to alleviate him having to drive. If you are willing to help participate in this endeavor, please [email me](#) with your cell phone number and any weeks you know you are unavailable. I will come up with a schedule to give to John so he can call you directly if plans change. Our thoughts continue to be with Betty, John and their family.

Respectfully,

D.J. Wright, President
Rotary Club of Flemington
