BEYOND THE HUNT

Article by Bob Newland

You may recall, our fellow member Bob Newland and his wife Traci visited South Africa last year. When they returned from their trip they initiated a humanitarian project to restore a building at a foster home into a school. Through social media, networking and a generous grant from our Rotary District, they were able to complete the remodel by the end of the year. The Cornerstone foster home serves approximately 32 children. To read more about the project you can visit the link below. Bob also authored a magazine article that was published by the Lehigh Valley Chapter of Safari Club International in their 2016 Annual.
