PEDALS FOR PROGRESS
Bicycle, Sewing Machine & Sports
Equipment Collection
Saturday, June 24, 2017
Time: 9am to 12noon
Flemington Presbyterian Church
10 East Main Street - Flemington, NJ

Joe Ziegler hopes that you can join us for another Collection at the Flemington Presbyterian Church. Items to be collected include **Used Bicycles** (adult and child), **Used Sewing Machines** (in working condition) and **Sports Equipment** (soccer balls, baseball gloves, etc. that can fit in the shipping containers between the bikes). The collection is sponsored by the Flemington Presbyterian Church and the Rotary Club of Flemington. [Click Here](#) to view the event flyer.

Please help do your part to put unused bikes to good use in the developing world.

Requirements:

- Bikes should be rust free.
- Bikes with flat tires in need of some repair are accepted.
- No children's trikes.
- "Bikes for parts" are not accepted.
- Portable sewing machines shall be in working condition.

A **\$10 cash donation** is required with each bike or sewing machine. Bikes and donations are tax deductible. The required cash donation helps to offset the cost to ship the bikes to the developing countries.

The bikes collected will be sent to Nicaragua, Ghana, Albania, Fiji and Guatemala.

Pedals for Progress, also known as **P4P**, collects 5000 to 7000 bicycles annually and transfers this material wealth to those more needy. Thus rescuing bicycles destined for America's landfills and delivering them to societies where they are badly needed and

highly valued. To date, more than 150,462 bicycles, 3,735 used sewing machines and \$10.8 million in new spare parts have been shipped to partner charities in 38 developing countries. In these countries, the bikes are reconditioned by partner agencies and distributed at low cost to poor working adults. These bikes provide them with reliable transportation for commuting to work, transporting produce to market, or accessing health care and other services. Steady employment for these adults is vital to the development and success for these economies.

It costs \$40 to collect, process, ship, rebuild and distribute each bicycle. The required \$10 donation helps to offset the shipping costs. P4P is a 501(c)(3) corporation and a registered charity in the states of NJ, PA, NY, CT, IA & VT. Brochures explaining this innovative program will be available at the collection site. P4P also seeks donations of wrenches for our overseas shops. For detailed information about our overseas projects and a current schedule of bicycle collection, visit the P4P website at www.p4p.org. If you miss this collection date, you can locate other bike collections through the Pedals for Progress website: www.P4P.org

***A Message from PRESIDENT D.J.
Regarding Our Fall 2017 Fundraiser(s)
Tuesday, May 16, 2017***

Fellow members,

This past Wednesday (5/10/2017) the club voted unanimously on approving a project that I, along with many others, feel will take the club to new heights. A huge thank you to Kim and all the other members who have been working so hard to research, plan and present this idea for a new "**Flemington Rotary BeerFest**" fundraiser for our club. The support from longtime members, to those sworn in the past few months, was overwhelming. Everyone left the meeting charged up with a renewed sense of purpose (and no, it was not from the multiple 1 oz.'s of beer people had)! [Click Here](#) to **download a copy of the PowerPoint presentation** that Kim presented at the May 10th meeting.

We have spoken in the past of relating alcohol to our club and how it may appear negative to some, but I think Kim and Bob addressed that topic regarding security, and designated drivers, etc. and alleviated any negative fallback on our club.

The next area needing attention, is **Pancake Day**. A very successful fundraiser in the past, the past few years have seen the numbers shrink, through no one's fault. A decision needs to be made as Hunterdon Central is finalizing their calendar, so if you can not attend tomorrow and would like your voice heard on this topic, please [Click HERE](#) to send me an e-mail and I will read your statement to the membership. If we do wish to continue with Pancake Day, we need a Chairperson and Committee to step up right away; as of this E-Monger, no one has stepped up to lead Pancake Day.

I am excited to see where this new event leads us in terms of membership engagement, recruitment and fundraising efforts to help keep the club solvent. I started my year as President hoping to bring us back to the foundation of why are we involved in Rotary. What purpose do we serve. What can we do to better the community and give back using our professional connections and involvement. The way the membership stepped up to tackle this project so far has been a shining example of what can be done when we act with the ideals of the selfless service in mind. Kudos to the club for taking this much needed step forward.

Yours in service,

D.J. Wright

APPLY for 2017-2018 GRANTS and close out 2016-2017 GRANTS
By PDG Michael Hart
May 31, 2017

Dear Rotarians:

The **deadline** for next year's district grant application is **July 15, 2017** at midnight.

Every club is guaranteed a \$500 district grant. All you have to do is ask by applying on DaCdb.

If you want more than \$500, the district may match up to another \$1,000, depending on what we have available.

The maximum grant would look like this:

\$500 non-matching grant from District DDF
\$1,000 funds from the club
\$1,000 District DDF matching funds
\$2,500 total (\$1500 grant + \$1000 funds from club)

There are 17 clubs with district grants that are still open from the current Rotary year. You need to close these to be eligible for next year's grant.

You have all received several emails with instructions. If you do not close the current grant, you cannot get next year's grant.

After all the applications are in to DaCdb on July 15, we will calculate who is eligible, how much grant funds are available, and decide on the allocation. Then you will be informed on how much grant money you will receive.

If you have trouble negotiating DaCdb, please ask Michael Townley. He is an expert on the website.

As a reminder, the DDF Grant funds come directly back from what we donate to the RI Foundation. One quarter of our donations come back to the district to be used as District Grants. Please continue to encourage you club and members to give to the RI Foundation.

Thanks,

PDG Michael Hart
District 7510 Foundation Director
