#### ***RCOF Meeting Location Change***

**AL FRESCO's**

100 Reaville Avenue - Flemington, NJ

## Beginning Wed, April 11

At the Wednesday, March 14<sup>th</sup> club meeting, the club members voted to change the location of our weekly club meetings to Al Fresco's. Al Fresco's is a restaurant located in The Shoppes at Flemington. As a follow-up to the club vote, the board approved the change in venue on Thursday, March 22<sup>nd</sup>.

Our last two meetings at Copper Hill will be on Wed, 3/28 and Wed, 4/4.

**Our first meeting at Al Fresco's will be on Wed, 4/11.**

As Kim has shared, the decision to leave Copper Hill was not from being upset or unhappy with them. To the contrary, Copper Hill has been an excellent venue and we will very likely go back for large functions. They always went out of their way to take care of us and have been a fantastic venue for our weekly meeting programs. The decision was primarily due to the cost of having our meetings at Copper Hill.

Looking at it only financially, Copper Hill charged \$14 per person for a minimum of 28 people. This cost us \$392 per meeting. Recently, Copper Hill changed to charging us \$15 per person for a minimum of 24 people. This reduced the cost to \$360 per meeting.

However, we continued to lose money each week. Kim did an analysis of the weekly meeting attendance back to July 1, 2017. Looking at both the member & guest combined attendance, we averaged 19 people at each meeting.

Al Fresco's will be charging us \$14 per person for our actual head count. Based on an average attendance of 19 people, that reduces our meeting costs to \$266 per meeting. Here are some quick highlights:

- Copper Hill costs are  $24 \text{ people} \times \$15\text{pp} \times 52 \text{ weeks} = \$18,720$ .
- Al Fresco's costs will be based on our actual head count. But assuming we average 19 people (and not less), Al Fresco's cost is  $19 \text{ people} \times \$14\text{pp} \times 52 \text{ weeks} = \$13,832$ .
- Therefore, moving meetings to Al Fresco's has a potential yearly savings of **\$4,888**.

If we have days of lower attendance (based on weather, summer vacations or other impact), then our savings will be even greater.

Kim noted that these savings can be better spent for member social events, special meetings or other functions directly benefiting the members.

Al Fresco's is willing to have us whatever number of weeks we would like. So down the road, we could decide to hold one weekly meeting a month elsewhere, just to change it up or as needed. Therefore, Al Fresco's also provides us with much more flexibility with our

meetings.

We know there may be a few members that are not happy with the change of meeting venue, but we hope you understand the reasoning behind the change. We just could not continue operating at a financial loss each week.

If anyone has any questions, comments or feedback, please contact Kim at [ClubPresident@FlemingtonRotaryNJ.org](mailto:ClubPresident@FlemingtonRotaryNJ.org).

Thank you for understanding.
