Scholarship

***2018 Flemington Rotary
SPRING SCHOLARSHIP RECIPIENTS***
**Presented at the Wed, 5/30/18 Club
Meeting**

At the Wed, 5/30 Flemington Rotary Club Meeting at Al Fresco's, Ken Skowronek (Chair of the Scholarship Committee) handed each of the following five (5) students a \$1500 scholarship check towards their higher education. To ensure the funds are truly used for their higher education, the checks were made payable to the schools that the students will be attending this fall. The following are the five (5)

scholarship recipients, including the school that they will be attending:

Erin Shaw (H.C. Polytech Student): Community services has become a major priority for Erin, starting with the influence of Girl Scouts. The motto of Girl Scouts is "to serve God and my country, to help people all times and to live by the Girl Scout Law". Completing her Bronze and Silver Awards, she had the opportunity to collect and donate food for local homeless shelters and create over 200 homemade art and activity booklets for patients at the Alfred L. Dupont Hospital for Children. She is very involved in the church community as well at St. Luke Parish where she completed over 50 hours of service to achieve the Presidential Award and worked as the Head Coordinator for the food pantry where she helped donate over 200 pounds of food. Currently enrolled in Polytech's Commercial Art and Design program and a member of the National Art Honor Society, she plans to attend Virginia Commonwealth University in the fall to pursue her goal as a graphic designer.

Kayla Whitlock (HCRHS Student): Every summer Kayla travels with her church to assist impoverished members of the community; specifically, those with disabilities who need handicap accessible homes. As a captain of the cross country and track teams, she shares her passion for running through serving as a trainer for the Hunterdon County Track and Field Special Olympics. She is a peer mentor, member of Connect Club, and has volunteered with the Trenton Area Soup Kitchen and Relay for Life. Currently, she volunteers at the Cancer Support Center of Central Jersey where she helps those who have lost loved ones to cancer. This student is a servant leader who will pursue a career as a speech pathologist with the intention of helping those with disabilities. Kayla will be attending the University of Maryland in the fall.

Katarina Stephanik (HCRHS Student): Katarina spends over one hundred hours each year volunteering at the Hunterdon Medical Center where she delivers flowers to patients and assists visitors. Excelling academically, she is a member of five honor societies and received praise referrals for exemplifying the H.C.R.H.S. Pillars of Characters. She is committed to educating others as a Sunday school teacher at her church and a member of the Teen Prevention and Education Program, which helps students with healthy decision-making. She is a member of the Field Hockey Team, Girls Scouts, Connect Club, and serves as the president of the Doctors of Tomorrow Club. With career aspirations in the medical field, Katarina is committed to the service of others. Katarina will be attending The College of New Jersey.

Panayiois "Peter" Kousoulas (HCRHS Student): Every major holiday, Peter can be found assisting local food pantries through delivering and serving those who are less fortunate. As a president of his youth group, he has worked with numerous other local charities to help serve the community. He is a member of four honor societies and served as the Co-President of the French Honor Society where he led the organization's first fundraiser. As a co-captain of the Cross-Country team, he mentored younger runners and assisted them in achieving personal records. With an intended major of mechanical engineering, Peter seeks to use his career to improve the lives of others. Peter will be

attending Rutgers University.

Daniel DellaFave (HCRHS Student): For eight years, Daniel has been a member of Hunterdon Outreach Programs, which is an organization dedicated to helping the special needs community participate in athletic events with one-on-one volunteers in a supportive environment. In the position of super-leader, he runs sessions, pairs athletes, and oversees events for Hunterdon Outreach. Daniel is a member of three honors societies and the academic team. He also shows a commitment to serving others through tutoring and as a member of Connect Club, where he eats lunch and attends events with special needs students. Daniel will be attending the University of Notre Dame.
