Dear Flemington Rotary Club,

The new Rotary District 7475 website is up and running. It is still under construction and it will be a couple of weeks before it is finished.

The new website address for the District 7475 website is: [www.njrotary.org](http://www.njrotary.org) - check it out.

Note that the ClubRunner (district software) has an excellent **mobile app** that you can download from the Apple or Android store that will give you full access to your club's and district information. Here is a link that explains this.

<https://youtu.be/PFLu08meAHI>

Once the app is downloaded you will need to have a logon ID and password to access the app. Everyone in the district now has a logon id and password. Since you are from the old District 7510, **the following are instructions to get your own logon and password:**

1. First, go to the district website at [www.njrotary.org](http://www.njrotary.org)
2. Click on Member Login (top right)
3. On the logon screen - click forgot name (it will ask for your club, last name and email)
4. If the information matches your information in the database it will send you an email with your information
5. Follow instructions on how to reset your password (make a note of our logon name)

Additional training and webinars will be forthcoming for all of the aspects of data integration, imputing/accessing information, etc.

Yours in Rotary,  
Barry Kroll
