## Fred Hyatt Update

From Thursday, 11/15/2018

We wanted to pass along the news that we heard an update from Maryanne Hyatt, who is Fred Hyatt's wife. Fred had a nasty fall nearly three weeks ago. When he fell, he broke his collar bone, nose and front teeth. He spent four nights in the Hunterdon Medical Center and is now at the Rolling Hills Care Center.

Joe Ziegler very nicely made the trip to Rolling Hills today to visit with Fred and let him know that we are all concerned about him. Joe noted that Fred is in good spirits and was happy to hear his Rotarian friends were concerned for his well-being. Fred is in room N4. Note that the phone in Fred's room is not working. He plans on being there for another couple of weeks although he will be able to go home on Thanksgiving day to have dinner with his family before returning to Rolling Hills. Fred told Joe that his son brought along a laptop yesterday and that Fred was able to see his emails for the first time since being there. For future use, Fred's home phone number is (908) 824-7164. He does/would like to have visitors and understands that it might be difficult for people to

make the trip to see him.

If you are able to take some time and reach out, Fred would love to hear from you. So you have it, Fred's email is: <a href="fdhyatt@snet.net">fdhyatt@snet.net</a>
