Time: 12:15 PM to 1:30 PM

Location: Al Fresco's

The program for tomorrow's club meeting is about our grant recipient, the **Good News Home for Women**.

A little about the Good News Home for Women.

We are located on 56-acres of beautiful, sprawling farmland in Flemington, New Jersey, the Good News Home for Women is a non-profit, residential, faith-based treatment center for women with chemical dependencies and co-occurring disorders. We are licensed by the State of New Jersey, Division of Mental Health and Addiction Services.

Founded in 1983 by the late G. Tracy Ginsburg, the Good News Home opened its doors as a residential facility in 1987. The home offers its services to women, 18 years of age and older, without regard to race, religion, color, national origin, or ability to pay. We provide a family-like setting with a serene and wholesome environment for both long and short-term treatment.

We offer a holistic, faith-based approach to recovery focusing on healing for the mind, body and spirit. Clients participate regularly in daily devotionals, bible study, weekly church attendance, spiritual classes and activities.

Since we opened, over 770 women walked through our doors seeking to change her life, ready to break the chains of addiction and be the daughter, mother, wife, sister or aunt she was born to be.

BEERFEST COMMITTEE MEETING

Ira Liebross has called a BeerFest meeting in the Conference Room at Bob Chittenden's office. The address is: 14 Commerce Street - Flemington, NJ 08822. Bob's office is accessed via the back of the building. Enter via the glass atrium and the office is on the 2nd floor.

*Time to Start Placing
LAWN SIGNS to
Help Promote the BeerFest
Starting Sun, 9/29/19*

Hey Guys, it's time to start putting out the BeerFest lawn signs!

Suggestions for placing signs:

- Make pilot holes for sign stakes using a long screwdriver. The stakes then slide in the pilot holes easier.
- Remembering where signs are placed to pick up within 5 days after the event per Township ordinance; plus we can reuse the stakes.
- Send an email to Ira with location for each sign placed so we can be sure important areas are covered and to avoid duplication.
- Checking back every few days to make sure grass cutters haven't left the sign lying flat.
- All lawn signs should be placed **before** Saturday, 10/5/2019 to maximize event promotion.

We are also in the process of getting (3) banners produced.
