

Craft Beer Tasting,
Music & Food.

The **Flemington Rotary BeerFest** is an event that allows participants to taste and sample many different kinds of Craft Beers (and maybe a cider, spirit or two) from a variety of different Breweries. There will be **Live Music** to enjoy and food available to purchase from food trucks.

The event will feature approximately **60 Beers from 30 Breweries**. Keep checking the website to view the latest list of attending breweries.

The event location is **inside the Nex Level Arena**. A limited number of tickets will be offered in both VIP Early Entry and General Admission sessions.

The **VIP Session** will take place between **12noon and 1:00pm**. Admission to this session will allow participants to enjoy the event with an early entry time and with a smaller group of people. This means shorter lines and time to taste more beers without waiting. All participants that enter the event during the VIP Session can remain for the General Session.

The **General Session** will take place between **1:00pm and 4:30pm**.

Designated Driver tickets are available to those that would like to attend the event, but will not be drinking.

This event is Rain or Shine. No refunds.

BE SAFE! DON'T DRINK AND DRIVE!!!

Please designate a driver before attending.
Consider using Uber, Lyft or a taxi service.
